Chapter 1

Badass Girl+All Boys Boarding School=Trouble Part 1

Okay so Hi. This is my first try at writing a story and i hope you like it Plz Read and tell me if I should continue!! Yeh ino its short if i continue the chapters will be longer

Chapter 1

Beep Beep Beep

I slammed my Hand down on the alarm and hit the snooze Button.

I'm not usually like this but today was different. Today was the day i set off for Constance High. And i was Dreading it but not because i hadn't been to a

new school before. I'd been to 13 Schools in the past 3 years, but this was different. I'd finally pushed my parents too far and now they'd decided to send me to a Boarding School. But not Just any boarding school an all boys one.

I know it seems strange and you're probably wondering how i got in. Well I'll tell you. My Grandpa Harry has been the Head teacher of the school for the last 23 years and has somehow managed to get me in.

Okay so by now i bet your thinking who the hell is this Girl? And what has she done what's so bad it's resulted in her being sent to an all boys Boarding School.

Well, my name is Faith Millen, I'm 16 years old. I have Long Blond Hair with baby pink and Blue Streaks. I'm about 5'8 and I'd say I was quite pretty. Basically I'm your typical Scene Girl.

Oh and the reason I'm being sent away to boarding School is because my last boyfriend Karl cheated on me and i decided to get payback by taking his car to the dump and getting if turned into a large cube of scrap metal. Since When Has That Been A Crime!

So anyway i packing up all my stuff to take to school with me and i had organides them into 5 cases, Shoes, Clothes 1, Clothes 2, Toiletries and Music and Art Stuff. Yep i was the creative type of girl who loved to write lyrics to songs and sketch whatever she saw.

"FAITH" i heard my mom shout from downstairs

"THE TAXI'S HERE"

So at that moment i grabbed all my cases and dragged them down the stairs to the taxi. I opened the taxi door a took one last look at my home thinking about how long it would be until i saw it again.

Okay that's all for now. If you like it vote or message me and i will continue the story.

There's going to be some Romance and Drama in this story if i continue

Love You Loads xoxo

Chapter 2

Badass Girl+All Boys Boarding School=Trouble Part 2

Chapter 2

I got out of the car and took in my surrounding. The Place was beautiful, it was a large medieval castle surrounded by garden. It looked like something right out of a fairytale. The taxi Driver Grabbed my stuff and started taking it inside. I could tell he was struggling by the twisted look on his face.

But still the Gorgeous surrounding of the school wouldn't persuade me to stay. I would be out of this school soon and back home with my family.

At this moment i started walking down the large stone path that lead to the school. I could feel the

eyes of the boys watching me as i strutted down the path in my Tight fitting black skinny jeans, All Time Low Band Tee and my new Converse. I had my iPod on Playing the Song My Temperatures Rising by the Audition.

I stared at my converse as i walked up the path when suddenly my ipod was knock out of my hand and i was on the floor. I looked up the see who had just knocked me over and i was stunned by the most beautiful eyes i had ever seen they were like two deep pools on blue. Surrounding these eyes was a boy about 17 years old. He had blonde shaggy hair and a bold frame that any boy would die for.

"Watch Wear Your Going!!"

I glared a him.

"Well stop walking into people then!"The crowd of boys around me stared at me i shock. What had i done something wrong?

"Stressy!!"

"Who do you think you Are?"

"Well I'm Jason Harris , Senior Prefect And you are?"he said looking me up and down

"Faith Millen and stop checking me out!"

"Don't flatter yourself i was just wondering what you're doing here"

"I'm here to go the school Duh!"

"But this is an all boys school"

"Yes i gathered but I've been kicked out of my last 13 schools and my parents said the last one was the final straw so now I'm here!"

"But how did you Get.."

"Faith!!" said the headmaster

"Grandpa!!" i ran up to him and hugged him.

"OH Dear how was Youre journey?"

"Boring As Usual." I said as a heard a throat clear next to me

"Well I see you've met Jason our senior prefect. He is one of are top students and i was hoping he may show you around the school" said my grandpa

"But Grandpa i can find my own way around!"

"i doubt that faith its a large campus"

" yes faith id be happy to show you round" Jason said with a devilish look in his eyes

"urgh.. Fine ill go on your stupid tour"

"good See You Later Faith"

"bye Grandpa"

He walked away that left me and Jason alone.

Chapter 3

I Followed him as he lead me around the school

“This is the Library...”

“Jason? Why did you offer to show me round?”

“Because you didn’t want me to show you around” he said with a large grin spread across his face.

“Urghh... I’ve known you for like 30mins and I already don’t like you”

“So you don’t like me then?”

“No you’re an arrogant jerk”

“Well you know you want me really” he said as he edged closer

“Hell no!”

I Said as he looked me up and down

I felt very very uncomfortable at this moment

But why? Did I like Him?

No that couldn’t be possible he’s just like my last boyfriend an arrogant cocky jerk who will break your heart and tear it into shreds.

I couldn’t do that to myself again.

And does he even feel the same way.

No stop this now I don’t like him anyway?

Urghh This is so Confusing !!!!!

Oh Shoot. He’s been staring at me the whole time while I’ve been rambling on with myself inside my head.

Now he definitely won’t like me

“Faith are you ok?” he asked with a questioning tone in his voice

“yeh I’m fine just thinking about something”

“And What Would that something be” He asked.

I Looked up and noticed he was a lot closer than i first thought.

He must have moved closer when i spaced out.

“Nothing To Do With You!!” I muttered.

“Or is it every thing to do with me?”

At this moment he leant into me and held mt jaw firmly in his hand

He leaned in.

WHAT? Was he going To Kiss me.?

Right then his lips met mine. I was shocked . Well wouldn’t you be if you were making out with a total jerk you’d only met an hour ago.

I kissed back.

“Jason”

“Jason”

I heard footsteps coming from around the corner.

Jason stopped kissing me and stepped back.

He held his finer on my lip as if he was saying keep quiet.

Then he walked down the corridor and left me standing there Star struck.

Chapter 4

I slid Down the Wall not knowing what to Do.

Should I Follow Him? Or Stay Here and Keep Quiet?

Just then i heard footstep coming from down the hall.

"Are you ok?" someone asked in a concerned tone

I looked up to see one of the cutest boys I'd ever seen

He had longish black hair covering his face, He had piercing blue eyes. He had snake bites under his lips. He Was Wearing a Purple t-shirt, black skinny Jeans and Black Converse.

"Um....Yeh I'm Fine, I just felt really dizzy and needed to sit down for a second" i said as i attempted to get up off the floor. Just then the Boy Held out his hand for me to hold onto.

I grabbed his hand and was pulled upwards towards him. I stood up shaking and fell into him putting my hands against his chest. I looked up into he mesmerising Eyes and said

"Hi my Names Faith"

"Nice To meet you Faith, I'm Blake" he said with the cutest smirk on his face. " You must he the headmaster's Granddaughter"

"Yeh ...How did you know?" i asked curiously

"He made an announcement saying that his granddaughter would be coming to this school and here you are"

"Blake is there any chance you could show me to my room Please I don't know where it is?"

"of Course it would be my pleasure. What Room is it?"

"Room 216"

"That's near my room I'm in Room 219"

"Great we should hand out sometime. Blake is there any other girls here?

Chapter 6

Faith's POV

I walked into my new home for the school year. It was Amazing.

The Place was separated into 3 Rooms The living area with the lounge and kitchen, The bedroom and the nicest bathroom I've ever seen.

It was covered in black marble with an overflow bath in the centre. OMG I know what I'm doing after vie unpacked.

I walked in to my bedroom and dragged my cases with me.

Now where it the closet? I can't see one. But there was a door leading from the bedroom.

I open it the reveal a giant walk in wardrobe.

How will I ever fill this! I take it as a challenge.

I dropped my bags and when back into the living area, I'd unpack later.

on the sofa there was a package and a note.

I opened the envelope to reveal a letter.

It said:

Dear Faith

I'm so happy to have you here and I hope you enjoy the school year.

I have selected a young man to help you for the first few weeks to show you around the school, help with classes and homework.

His Name is Jason Harris and he is a senior Prefect at this School. His room is 219 just down the hall. I have left a Package with him for you. The package contains your school uniform it should be worn on all school days from the hours of 9:00-3:00.

At the weekend you will be allowed to wear your own clothes and leave the school campus.

All my love Granddad or Headmaster as you should call me now

Jason Harris, why does it have to be him. Why couldn't it be Blake.

Wait isn't 219 Blake's Room. I Hope there not friends.

I got up and left my room. I looked down the hall and the numbers 219 on the door. I walked towards them.

Chapter 7

Badass Girl+All Boys Boarding School =Trouble Part 7

Chapter 7

Faith's POV

And there in the doorway stood Jason Harris dripping wet with a towel hanging slack around his waist begging to be pulled down .

His abs glistened from the water dripping down them

" Well if it isn't Faith Millen coming back for more" he spoke with a sly and smug grim stretching across his chiselled features

"don't think too much of yourself Jason or your head just might exploded and ruin this beautiful room you seen to inhabit" i replied

"which is free for you to 'inhabit' any time you want"

"really are you actually that immature, and I'm here to collect the vain of my existence for the next year. and before you say it, it's not you it is in fact my uniform"

"i am shocked and appalled that you think i ill be the vain of your so called existence for the next year, when in fact I will be the best thing that's ever happened to you" the devil spoke.

I barged through he door in search of my uniform, so i could get the hell out of this place and away from him.

i felt tingles run up my back as he placed his hand on my shoulder to stop me from going any further into the oblivion of the pigsty i had just entered. I pulled my self away from him in the feeble attempt to stop history repeating itself.

i shifted away from his body and rushed around the corner to see a brown paper parcel on the desk. I rushed towards it and grabbed it of the oak desk to reveal my name written clearly on the top in my grandfathers scribbles for handwriting.

“it appears that you are breaking and entering in my room “ this voice came from across the large hall from the far doorway with revealed a very tired and messy Blake

“I am here to collect my school uniform from your monster of a room mate and now I will be on my way, so I can go to bed and at least get some sleep before tomorrows events”

Blake left the door way and came over to me and took away the parcel from my hands and undid the string that was delicately wrapped around it to contain the contents.

It opened the reveal a horrible green fabric.

“I see your grandfather didn’t spare you from our lovely school colours”

“ Oh kill me now, I so do not suit the colour green”

Blake leaned into me and stared into my eye's and whispered "I Think It match's your eyes perfectly"

My breath caught in my throat as I saw Blake's eye's flicker to the other side of the room where Jason stood watching the whole performance, with a deep and some what regretful look in his eyes.

" I Better go, I have so much to organise before tomorrow, See you Guys later"

I Grabbed the parcel from Blake's hands and fled from the room in a matter of seconds
